Voc Rehab group met this morning. Group discussion around the following points of positive employment:

- Flexibility, adaptability, and “thinking on your feet.”
- Desire to explore and learn more.
- Teamwork.
- Out of the box thinking.
- Conflict situations or situations where security is not good.
- Writing and communication skills.
- Assessment, planning, and organization.
- Self confidence

### Individual Note:

Active participant in today’s group. Client able to share with group how these positive skills might look at their particular work site. Able to hear feedback from other group members.

### Plan:

- Continue working on understanding and implementing positive work skills.
- Continue focus on “triggers” which may interfere with sobriety.
